---

Yes, you may send your Remarkbox updates and notifications to your Slack Workspaces (Teams).

### Setup:

- Go to your Namespace settings page and click the Add to Slack button to integrate Remarkbox with one or many Slack Workspaces.
- Create a channel called #remarks for Remarkbox to send updates and notifications.

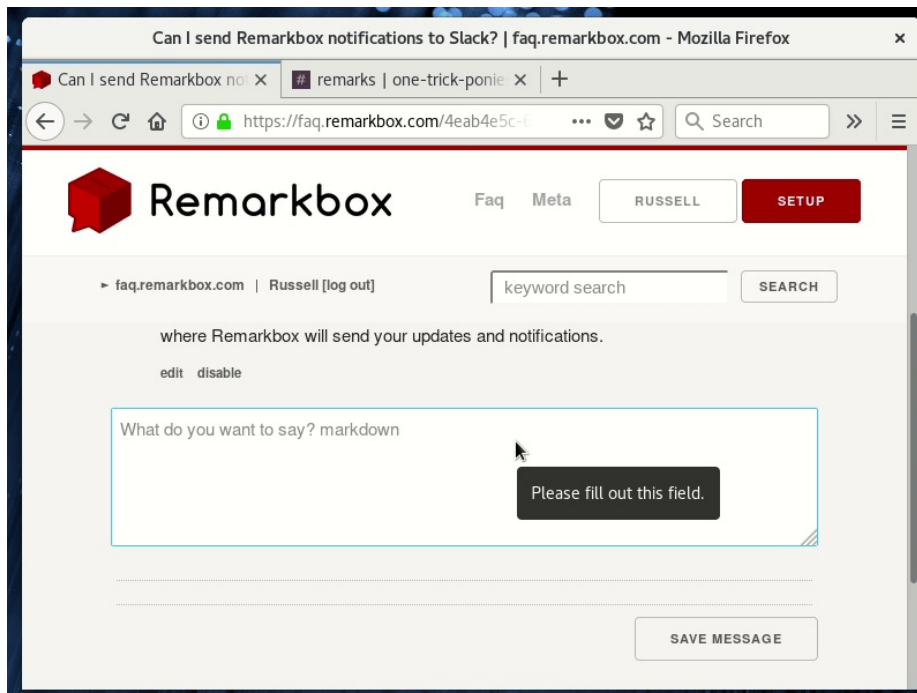

### Video Setup:

Here is a video showing how to integrate:

- [remarkbox-add-to-slack.webm](#)

### Example Notification:

- [remarkbox-with-stack-notifications.gif](#)

If you need help setting up this integration, please leave a comment below!

**russell — May 25, 2018 08:43 am**

Here is an example.
